ABSTRACT

This research aimed to analyze figurative language in sentences in the novel *Animal Farm*. The primary object is Satire and Contradiction, and the secondary object to perfect this research is Character. The purpose of this research is to find out what Figurative Language is found in sentences so that the hidden meaning in the sentence can be dissected. The researcher uses a descriptive qualitative method, by adopting 2 techniques in the theory of Molina and Albir (2002) on the translation of satire meaning, linguistic compression techniques are used in answering the first research question, and semiotic analysis is used to answer the second research question. The researcher found 35 sentences containing irony, metaphor, simile, cynicism, sarcasm, hyperbole with a percentage of 52%, 26 sentences containing litotes, paradox, occupation, oxymoron, antithesis, hysteron proteron with a percentage of 38%, and 7 sentences containing personality and habitude, with a percentage of 10%.

Key words : *Satire, Contradictions, Characters*
